

QUICK REFERENCE WORKERS' COMPENSATION GUIDE

Workers' Compensation is a State program, based on the California Labor Code, which provides all employees in California with medical treatment and compensation payments for work-related injuries. The following is a quick reference guide to be used by City supervisors faced with a work-related employee injury.

NOTE: If the employee's injuries appear to be critical, dial 911 immediately.

If urgent medical treatment is required, the employee should be taken to the nearest hospital emergency room.

1. If the injury is **not** a medical emergency, and only requires first aid, provide first aid to the employee using the workplace first aid kit.
2. First aid only injuries do not have to be reported to Workers' Compensation Division (WCD). Instead complete and maintain an "Employer's Report of Injury," Form 5020, and an Accident Investigation Form documenting the injury.
3. If the injury requires further medical treatment, direct the employee to one of the City's First Care Panel Facilities using the links below:
 - a. Kaiser On-The-Job: (888) KOJ-WORK or (888) 565-9675 or See attached list.
 - b. US Health Works: (877) 678-4612 or <http://www.ushealthworks.com/Medical-Center/California.html>
4. If the employee states they have a pre-designated physician, contact WCD at (213) 473-3400 to verify.
5. Within 24-hours of the report of the injury, provide the employee with a "Workers' Compensation Claim Form," (DWC 1). For an online copy of the form, please see: <http://cityforms.ci.la.ca.us/urldisplay.cfm?id=486>.
6. Complete the "Employer's Report of Injury," (Form 5020), and the Accident Investigation Forms located on the Workers' Compensation website, under "How to Report On-The-Job Injuries" at <http://cityforms.ci.la.ca.us/urldisplay.cfm?id=584>. . An alternative entry method for Form 5020 is available in iVOS; under the File Menu – Access new WC Incident-ACORD.
7. As soon as possible, but no later than 24 hours from knowledge, report the injury to the City's WCD via phone at (213) 473-3400, via fax at (213) 473-3333 or 3334, or via email at per.wcddiv@lacity.org.
8. Forward the original copy of the Form 5020, the Accident Investigation Forms and the completed and signed DWC1 to WCD at 700 East Temple Street, Room 210, Los Angeles, CA 90012, Mail Stop 391, by fax at (213) 473-3333, or via email at per.wcddiv@lacity.org. If the 5020 was completed in iVOS, only forward the completed claim form, DWC1 and the Accident Investigations Forms. If you do not have the completed DWC1, forward the 5020 and other forms, followed by the DWC1 upon receipt.
9. Work-related injuries for LAFD employees should be reported to the Department's Medical Liaison Unit at (213) 202-3440; for LAPD employees to the Department's Medical Liaison Section at MedicalLiaison@lapd.lacity.org or for general LAPD information, (213) 486-4600, instead of WCD.
10. Contact WCD (213) 473-3400, via email at per.wcddiv@lacity.org, or by mail at 700 East Temple Street, Room 210, Los Angeles, CA 90012, Mail Stop 391, if you have any further questions.
11. See Supervisor's Guide for additional information <http://per.ci.la.ca.us/guide/SupGuide.pdf>.
