The City of Los Angeles will provide a reasonable accommodation to individuals who have applied for employment and have requested special testing arrangements in a Civil Service examination due to a limitation(s) caused by a disability. To properly evaluate a request, it is necessary for us to have information regarding the specific limitation(s) that would cause this candidate to have difficulty in taking our tests. Most written tests are composed of multiple choice questions and require candidates to record answers by filling a small space on an answer form which is scored by a scanner. Additionally, written tests usually require candidates to sit from two to four hours.

Verification Form Instructions
- If a candidate requires an accommodation in Section II, then the candidate must only complete Sections I and II.
- If a candidate requires an accommodation in Section III, then the candidate must complete Section I and must request a doctor or other certifying professional to complete and sign Sections III and IV.

Section I – Candidate Information

<table>
<thead>
<tr>
<th>Print</th>
<th>Social Security Number:</th>
