8-16-91  INDUSTRIAL GRAPHICS SUPERVISOR, 1490

Summary of Duties: Plans, organizes, and directs the work of employees of a graphics unit engaged in providing printing, duplicating, reprographic, stationery forms supply, photocopier support and related services for the Department of Water and Power; or assigns, reviews, and evaluates the work of employees engaged in printing, duplicating, and reprographic services; applies sound supervisory principles and techniques in building and maintaining and effective work force; fulfills affirmative action responsibilities; and does related work.

Distinguishing Features: An Industrial Graphics Supervisor either assists in or has complete responsibility for planning, organizing, and directing the operations and activities of a large-scale reproduction center, and print shop. An employee of this class coordinates services with other divisions and sections, but direct supervision of graphics service is largely delegated to subordinates. Supervision and performance is evaluated in terms of the overall efficiency and productivity of the services. The class of Industrial Graphics Supervisor is distinguished from that of Director of Printing Services in that the latter directs the operations of the Department of General Services Printing Division which includes large offset printing presses, but not reprographics.

Distinguishing Features:

As a bona fide supervisor, an Industrial Graphics Supervisor is responsible for the performance of the full range of supervisory activities, including application of discipline, processing and resolution of grievances, evaluation of performance, and approval of requests for time off.

Examples of Duties: An Industrial Graphics Supervisor:

* Analyzes, develops, and implements new and revised unit procedures;
* Analyzes and may recommend changes to department-wide policies and procedures related to graphics services, reprographics, and copier equipment;
* Expedites the completion of assignments by coordinating services with other divisions and sections;
* Consults and advises supervisors, section heads, and other employees on reproduction costs, procedures, and methods;

Examples of Duties (Cont.):
* Directs the preparation of, reviews, and approves periodic and special reports, capital
* and expense budgets, purchase documents, correspondence, and accounting records;
* Initiates and conducts cost studies on equipment, material, and unit operations;
* Confers with accounting employees on the costs of unit operations and the charges to be made for unit services;
* Directs the preparation of requests for and administers contracts with outside agencies for materials and supplies;
* Administers department-wide contracts for the acquisition, installation, and maintenance of photocopiers;
* Recommends specifications to be used in the purchase of materials and supplies;
* Reviews bids from vendors and makes recommendations on contract awards;
  Recommends the purchase of duplicating, reprographic, and printing equipment;
* Advises subordinates on technical matters;
* Meets with sales representatives from vendors;
* May make recommendations regarding forms control;
* Communicates equal employment/affirmative action information to employees;
* Applies job-related criteria in selecting, orienting, assigning, training, counseling, evaluating, and disciplining subordinates;
* Assists employees in preparing for promotion as described in the City's Affirmative Action Program;
* May occasionally be assigned to other duties for training purposes or to meet technological changes or emergencies.
