The following competencies have been identified as those that best separate superior from satisfactory job performance in the class of **DIRECTOR OF AIRPORTS ADMINISTRATION**. (Numbers refers to the order of competencies in the Competency Bank.)

20. Job Knowledge  
29. Fact Finding  
30. Fiscal Management  
47. Written Communication  
52. Workforce Management  
53. Leadership  
58. Industry Knowledge  
59. Strategic Planning

On the following pages are descriptions of each competency, including a definition, the level of the competency required for the class (italicized, bolded, and underlined), examples of behavioral indicators, and satisfactory and superior performance levels.
20. **JOB KNOWLEDGE** – Knows information required to perform a specific job. Includes both widely available courses of study (for example, chemistry, human resources management, graphic arts) and City-specific information (parking regulation and ticketing practices; purchasing procedures; provisions of the City Charter).

**Level of Competency Required by Job:**

**Level 1:** Knowledge is concrete, factual, and/or procedural and may be defined by the organization. Situations in which it is applied are quite consistent.

**Level 2:** Knowledge is substantive and may be defined by an external trade, field, or profession. Situations in which it is applied vary and, as such, require breadth and depth of understanding.

**Level 3:** Knowledge is abstract, conceptual, and/or complex and may be supported by a well-defined academic discipline or authoritative sources (e.g., laws, ordinances, government guidelines/regulations/codes). Situations in which it is applied may vary greatly or be novel.

**Examples of Behavioral Indicators:**

- Performs work correctly/avoids technical (job content related) errors.
- Answers technical questions about work accurately.
- Asks few technical questions about the performance of routine work activities.
- Offers advice (“coaching”) to new employees regarding their work.
- Develops training programs for other employees.
- Sought out as a source of information by others.

**Performance Levels:**

**Satisfactory**  
Sufficient job knowledge to perform work correctly independently. Answers technical questions about work correctly.

**Superior**  
Expertise in technical job information sufficient to serve as a resource to others. May develop training manuals/programs and/or give internal and/or external presentations related to work.
Job Knowledge Areas

1. Knowledge of Federal, State, and City regulations, laws, ordinances, and provisions required for the direction of administrative, accounting, personnel, and auditing activities at the Los Angeles World Airports such as Mayoral Directives, Federal Acquisition Regulations (FAR), and Federal Airport Administration (FAA) revenue policies sufficient to ensure compliance when directing a variety of functions throughout the Los Angeles World Airports.

2. Knowledge of contract development and administration standards, practices, procedures, and policies, including competitive selection, business inclusivity, alternative project delivery, lowest responsive bid, and outsourcing, sufficient to acquire the goods and services necessary to support the programs, functions and activities at the Los Angeles World Airports.

3. Knowledge of the framework of airport financial management such as understanding the methodology and system of airline rates and charges, capital operating budgeting principles, and long range financial forecasting and feasibility analyses sufficient to manage administrative, fiscal, and property management functions at the Los Angeles World Airports in a financially sustainable manner.

4. Knowledge of the administrative organization, functions, and operations at the Los Angeles World Airports sufficient to provide the necessary resources, guidance, and expertise to support the various administrative groups and divisions and effectively direct administrative activities at the Los Angeles World Airports.

5. Knowledge of the principles and practices of accounting and risk management such as Generally Accepted Accounting Principles (GAAP) and risk identification, analysis, and mitigation, sufficient to protect the City and Los Angeles World Airports assets when directing administrative activities and to effectively plan, develop, and oversee long-range administrative, accounting, and fiscal programs at the Los Angeles World Airports.
29. FACT FINDING – Obtains required information through questioning, review of existing materials, or securing new materials to answer a question or address a problem.

Level of Competency Required by Job:

Level 1: Look up information available in the workplace (including use of the internet) or by asking questions of co-workers or supervisor.

Level 2: Interview individuals and/or obtain necessary information from files, the library, and/or the internet.

Level 3: **Conduct in-depth interviews/interrogations or depositions.** Locate obscure reference material containing germane information by correctly identifying needed information, making logical inferences regarding where it might be available, and discerning from newly acquired information relevant additional materials.

Examples of Behavioral Indicators:

- Asks a series of insightful questions in a logical order.
- Correctly identifies persons most likely to have the needed information.
- Listens carefully to responses from others to discern all relevant information stated.
- Makes logical assumptions about where certain types of information might be found; or asks others who are likely to know.
- Persists in locating relevant information until a sufficient amount is available to permit answering question or addressing the problem fully.

Performance Levels:

**Satisfactory**

Obtains necessary information through scrutiny of existing files and other resources, correctly identifying and obtaining other sources of information, and/or asking questions.

**Superior**

Exhibits great insight in identifying who would have certain information, or in what materials it might be located. Carefully crafts questions to extract needed information. Persists until sufficient information is gathered to formulate a logical conclusion.
30. **FISCAL MANAGEMENT** – Develops and justifies budget proposals in a way that garners support; monitors expenditures for compliance; systematically adjusts expenditures when warranted.

**Level of Competency Required by Job:**

**Level 1:** Identify equipment and services with demonstrable cost-effectiveness for improving operations and prepare detailed budget requests that provide ample justification for purchase. Ensure money is spent for intended purpose.

**Level 2:** Identify staffing needs, needs for equipment and services, and other expenditures that are necessary to fulfill the mission of a function or segment of the organization. Provide ample, compelling justification. Ensures that money is spent for intended or highly related purpose.

**Level 3:** Consider the mission of the entire organization and current priorities in determining which budget proposals to submit. Provide compelling arguments for the proposals submitted that include reference to proposals omitted. Use money for intended purpose unless priorities or other circumstances change.

**Examples of Behavioral Indicators:**

- Identifies expenditures that will be cost-effective in their contribution to accomplishing work.
- Conducts research to determine the best available option for purchase.
- Tailors justification for budget request to the specific need and current circumstances.
- Uses money for its intended purpose.
- Makes adjustments to expenditures in accordance with price increases, changing priorities, and City policy.

**Performance Levels:**

- **Satisfactory**
  
  Recognizes the critical role of the budget process in City functioning. Knows the budget cycle and makes timely submissions for all desired expenditures.

- **Superior**
  
  Provides convincing justifications that reflect essential organizational functions, demonstration of cost-effectiveness, and consideration of current political/economic/social climate.
47. **WRITTEN COMMUNICATION** – Communicates effectively in writing.

**Level of Competency Required by Job:**

**Level 1:** Write notes/e-mails. Completes forms with some open-ended responses (sentences).

**Level 2:** Write letters, articles/reports, and/or detailed descriptions of activities/occurrences.

**Level 3:** *Write lengthy reports, instruction manuals, in-depth analyses/reviews of complex issues and/or articles for publication. Reviews the written work of others.*

**Examples of Behavioral Indicators:**

- Writing includes the necessary information to convey the intended message.
- Sufficiently few errors in spelling, punctuation, grammar to *not* interfere with the intended message or distract the reader.
- Little editing or re-writing needed to produce a final product.
- Composes materials efficiently.
- Information is presented in a well organized manner.
- Tone and degree of formality are appropriate to the purpose and audience.

**Performance Levels:**

**Satisfactory**

Writes material that clearly communicates the necessary information; needs little editing.

**Superior**

Precisely uses words and organizes information in a way that enhances presentation of the message. Virtually no editing needed.
51. WORKFORCE MANAGEMENT – Structures workgroups and their interrelationships in a way that facilitates accomplishment of organizational goals; attracts talent and places individuals in positions to maximize productivity and staff development. Ensures proper training is provided.

Level of Competency Required by Job:

Level 1: Ensure various workgroups are staffed sufficient to accomplish their respective missions and with complementary skills where appropriate.

Level 2: Examine the structure of each workgroup to ensure optimal staffing, the interrelationships of workgroups to maximize coordination and efficiency, and the placement of individuals to optimally use or develop their capabilities; make adjustments as warranted.

Level 3: **Ensure that structure, staffing, interrelationships, placement of individuals for productivity/development are optimal. Identify needed competencies and ensure well-qualified candidates are recruited. Identify problems with the operation and/or staff performance and determine a solution.**

Examples of Behavioral Indicators:

- Considers the workforce and its operation as a whole.
- Recognizes the need to balance optimal placement of staff for the organization with individual developmental needs.
- Recognizes the tradeoffs of bringing in new staff versus developing existing staff.
- Re-assigns staff as warranted.
- Re-structures the organization as warranted.
- Addresses problem performers.

Performance Levels:

**Satisfactory**
Ensures efficient operation of the organization and makes necessary adjustments. Balances productivity and staff development.

**Superior**
Redesigns organization as necessary to achieve maximum productivity and staff development. Balances bringing in new staff with developing current employees.
53. LEADERSHIP – Influences others toward goal accomplishment.

Level of Competency Required by Job:

Level 1: Assume responsibility for operations or a situation when necessary. Direct the actions of others or otherwise ensure required actions are taken. Remain responsible until relieved or situation is resolved.

Level 2: Motivate others to continual activity focused on goal accomplishment. Provide clear objectives and articulate individual activities necessary to achieve them; ensure resources necessary to do so are available. Monitor work progress and provide feedback; assess results.

Level 3: Articulate a vision, convey it to others, and assign responsibilities (or assure they are assigned) for achieving it. Monitor progress, make adjustments as necessary, and evaluate results.

Examples of Behavioral Indicators:

- Evaluates circumstances, determining what needs to be done, and ensuring individual responsibility for performing specific actions is assigned.
- Follows-up to ensure that specific actions have been taken and overall objective has been accomplished.
- Clearly communicates objectives and responsibility/individual actions necessary to achieve them.
- Monitors work in progress, provides feedback to those involved, and makes adjustments to work plans/processes to ensure goal attainment.
- Evaluates completed work for quality, thoroughness, and effectiveness to determine whether re-work or additional work is required to meet intended objectives and to provide learning for future assignments.

Performance Levels:

**Satisfactory**
Assumes responsibility for work of others when required or necessary. Ensures actions taken to achieve objectives, and evaluates results to determine any follow-up needed.

**Superior**
Articulates vision/states clear objectives and assigns responsibility/motivates others toward achievement. Monitors progress; gives feedback; evaluates results; ensures follow-up.
58. **INDUSTRY KNOWLEDGE** – Knows sources of information (publications, websites, professional associations), college programs, consultants, vendors, and peers within field of endeavor; accesses them when needed.

**Level of Competency Required by Job:**

**Level 1:** Can locate job-related information from external sources when necessary.

**Level 2:** Read job-related publications and know/may be a member of professional associations. Some familiarity with college programs, consultants, vendors, and/or others in the field.

**Level 3:** Subscribe to job-related publications and is a member of professional association(s). Know many college programs, consultants, and vendors, and has a well-developed network of peers within the field.

**Examples of Behavioral Indicators:**

- Reads/subscribes to job-related publications.
- Knows consultants/vendors in the field including their products/services and reputation.
- Attends conferences or other job-related training/presentations.
- Makes presentations to professional associations.
- Has contacts on college faculties to call upon if needed.

**Performance Levels:**

**Satisfactory**

Aware of external resources available in the field. Can locate and obtain materials and/or locate and contact professional associations, consultants, vendors, or peers if necessary.

**Superior**

Knows many external resources in field, including publications, educational programs, consultants, and vendors. Has a well-established network of peers. Belongs to professional associations and attends conferences or other training sessions. Provides research results and/or benchmarking data to the field.
Industry Knowledge Area

1. Knowledge of various resources available for obtaining current information related to industry standards and best practices in the field of airport administration such as subscriptions to or participation in professional associations, publications, educational programs, workforce development programs, conferences, training programs, and community programs, including Airports Council International (ACI), American Association of Airport Executives (AAAE), and the International Public Management Association (IPMA), sufficient to remain informed and implement such standards and practices at the Los Angeles World Airports.
59. STRATEGIC PLANNING – Establishes plans in a way that will achieve vision for the future.

Level of Competency Required by Job:

Level 1: Recognizes that no work organization is static, so identifies how an improved organization would function and develops plans to create such an organization.

**Level 2:** Considers factors in the external environment, best practices, and internal organizational factors to develop a vision for the future; identifies feasible changes/innovations in support of the vision.

Level 3: Considers social, economic, legal, and political trends and the “big picture” of the organization to establish a vision for its effective operation in the world of the future.

Examples of Behavioral Indicators:

- Establishes and keeps up-to-date a “strategic plan.”
- Articulates how current trends and anticipated future events are expected to impact the organization.
- Identifies actions the organization can take to accommodate or leverage trends and future events.
- Recognizes that evolution/change will occur, and without an attempt to manage it, that it is unlikely to be in the best interest of the organization.
- Accepts that even when many factors are unknown or their certainty is questionable, that which is known with any degree of certainty can be effectively used to formulate plans.

Performance Levels:

**Satisfactory**

Considers the future when establishing current day-to-day operational practices. Envisions an improved organization and identifies specific actions to help create it.

**Superior**

Understands that the larger environment in which the organization exists is influenced by and influences the organization. Notwithstanding uncertainties, formulates a vision and plans to achieve it.
