The following competencies have been identified as those that best separate superior from satisfactory job performance in the class of IRRIGATION SPECIALIST. (Numbers refers to the order of the competencies in the Competency Bank.)

1. Reading Comprehension
2. Mathematics
3. Judgment and Decision Making
7. Self-Management
8. Safety Focus
20. Job Knowledge
35. Teamwork
45. Oral Communication

On the following pages are descriptions of each competency, including a definition, the level of the competency required for the class (italicized, bolded, and underlined), examples of behavioral indicators, and satisfactory and superior performance levels.
1. **READING COMPREHENSION** – Comprehends and correctly applies information presented in written form. Makes correct inferences; draws accurate conclusions.

**Level of Competency Required by Job:**

- **Level 1:** Concrete, specific job-related information (work orders; instructions; material/equipment labels)

- **Level 2:** *General information related to field of work and assignments;* *(articles in trade publications; technical/instructional manuals; memos; letters; e-mails; reports)*

- **Level 3:** Abstract/complex information (highly technical articles/ reports in specialized area; legal or other regulatory material)

**Examples of Behavioral Indicators:**

Job Knowledge Areas

1. Knowledge of the practices and techniques used to repair and replace irrigation piping systems including main and lateral water lines, valves, and sprinkler heads, such as checking for the depth of water lines and identifying the location of the water main shutoff valve, in order to make the necessary repairs and replacement of the irrigation piping systems.

2. Knowledge of the trenching and shoring techniques used in irrigation installations and repairs, such as identifying the type of soils and the depth of trenches, sufficient to ensure safety to oneself and others working in the trenches or the surrounding working areas.

3. Knowledge of the use of gardening and maintenance equipment and tools, such as shovels, mattock pick, digging bar, landscape rake, and hand tools, in order to repair irrigation systems and complete the work in a timely manner.

4. Knowledge of the routine care and maintenance of the irrigation of golf courses, recreation areas, parkways, and grounds around buildings, such as scheduling irrigation and programming centrally controlled irrigation clocks and satellite controllers, in order to ensure the irrigation systems are providing sufficient water to the grounds needed.

5. Knowledge of City, State and Federal water rules and regulations, which include water use restrictions, the use of reclaimed water for irrigation, and Executive Directive No. 5, in order to comply with the set water rules and regulations.
35. TEAMWORK – Interacts effectively with others to achieve mutual objectives; readily offers assistance to others to facilitate their goal accomplishment.

Level of Competency Required by Job:

Level 1: Work effectively as a member of a work unit or project team. Readily offer assistance to others when they have too much work or have too little.

Level 2: **Work effectively as a team member in which different people have different roles/responsibilities and perspectives. Identify points for collaboration with co-workers; readily offer and request assistance.**

Level 3: Work effectively as a part of an interdependent team (your work gets done only if the work of the whole team is done; evaluation of team performance is more relevant than individual performance).

Examples of Behavioral Indicators:

- Discusses work-related matters with co-workers.
- Offers and requests assistance readily.
- Offers and is receptive to suggestions.
- Identifies problems with workflow that will prevent team from accomplishing its goals.
- Provides constructive criticism and feedback to team members to improve overall functioning of team.
- Assigns credit to team for accomplishments.

Performance Levels:

**Satisfactory**

Cooperates with co-workers and fulfills responsibilities as a member of a project team. Maintains a focus on common objectives and offers and requests assistance readily.

**Superior**

Sees the team as a whole; acknowledges that performance of the team is what in reality is evaluated by others. If anyone fails, everyone on the team fails.
45. **ORAL COMMUNICATION** – Communicates orally in a clear, concise, and effective manner.

**Level of Competency Required by Job:**

**Level 1:** Exchange specific, job-related information orally with others in the immediate work environment or via telephone and/or radio.

**Level 2:** Obtain/provide/present general and/or job-specific information orally to a variety of others in various situations.

**Level 3:** Obtain/provide/present a diverse array of information orally at varying levels of complexity to a wide range of others across many different situations and circumstances.

**Examples of Behavioral Indicators:**

- Audience clearly understands the intended message.
- Rarely must repeat information in response to questions.
- Refrains from use of unnecessary words, phrases, or jargon.
- Provides a level of detail appropriate to the situation (avoids too much or too little detail).
- Speaks at a level appropriate to the audience in terms of terminology, sentence structure, and simplicity/complexity of ideas expressed.
- Uses words with precision (vocabulary) to convey exact information.

**Performance Levels:**

**Satisfactory**

Speaks clearly and audibly, providing the appropriate information and level of detail. Typically conveys the message on the first attempt. Answers questions accurately and directly.

**Superior**

Speech is direct and to the point. Speaks convincingly and with authority when appropriate. Maintains sensitivity to the audience while providing thorough information with the appropriate level of detail through the use of precise language.
